QUICK START GUIDE

Make giving easy

Accept donations right on your website with the Donations Widget. Supporters can pick a suggested amount or set up a recurring gift in just a few clicks.

50–100%
more money raised

Reedsville Public Schools raised more with OTS fundraising and donations.

What you'll need

- Org-wide donation settings in OTS
- Edit access to your organization's website

AND

OR

- Your website designer

★ **START HERE**
New to donations?
Turn on donations first. **See how →**

Steps

1. **Open Widget Configuration**
   Click Website › Widget Configuration › Settings.

2. **Set allowed domains and redirect URLs**
   Allowed domains are the pages authorized to display the widget. Redirect URLs are used for marketing emails.

3. **Preview the widget**
   Check the widget on your dashboard before copying the embed code.

4. **Add it to your website**
   Follow our **website-specific instructions**.
