QUICK START GUIDE

Thank every first-time ticket buyer

The automated Send Thank Yous Play emails families after their first ticket purchase with a thank-you and a special offer to come back for your next show.

5%
gross revenue uplift for many OTS customers

"Being able to utilize Plays has garnered some additional sales for us. This last spring, I think it raised another $1,000 in sales. And that was just from having it available for two, maybe three shows."
